Beach Wedding

Many couples dream of a beach wedding and there are lots of locations in Milos, an island with more than 70 beaches, where you can exchange your vows or have a civil wedding by the sea.

Choose from a simple barefoot ceremony on the sand to a beautiful set up with white covered chairs, a flower arch and a red carpet. You can combine the ceremony with a reception directly on the beach!

Civil Wedding

A civil wedding is one where the marriage ceremony is performed by a Mayor or a civil officiant. A civil wedding takes place without any religious affiliation and meets the legal requirements of the locale.

You can have your civil wedding at any indoor location that you might choose or at an outdoor location like your favorite beach on the island or a nice courtyard with amazing sunset view!

Vows

Have you ever thought of sharing your marriage vows once again? There are many reasons why couples choose to have a blessing/renewal of vows including -Celebrating an anniversary, be it 10, 20 or 50 years later...

-A fresh start to a relationship for whatever reason
-Your legal wedding took place in a civil office and you felt like you missed out on a beautiful wedding with romantic photos

Renewal of vows is not legally binding, so you don't have to be married to celebrate a special event.
This allows us to organise any event you desire. We can arrange a standard ceremony with the exchanging of rings/vows or you can even create your own ceremony.

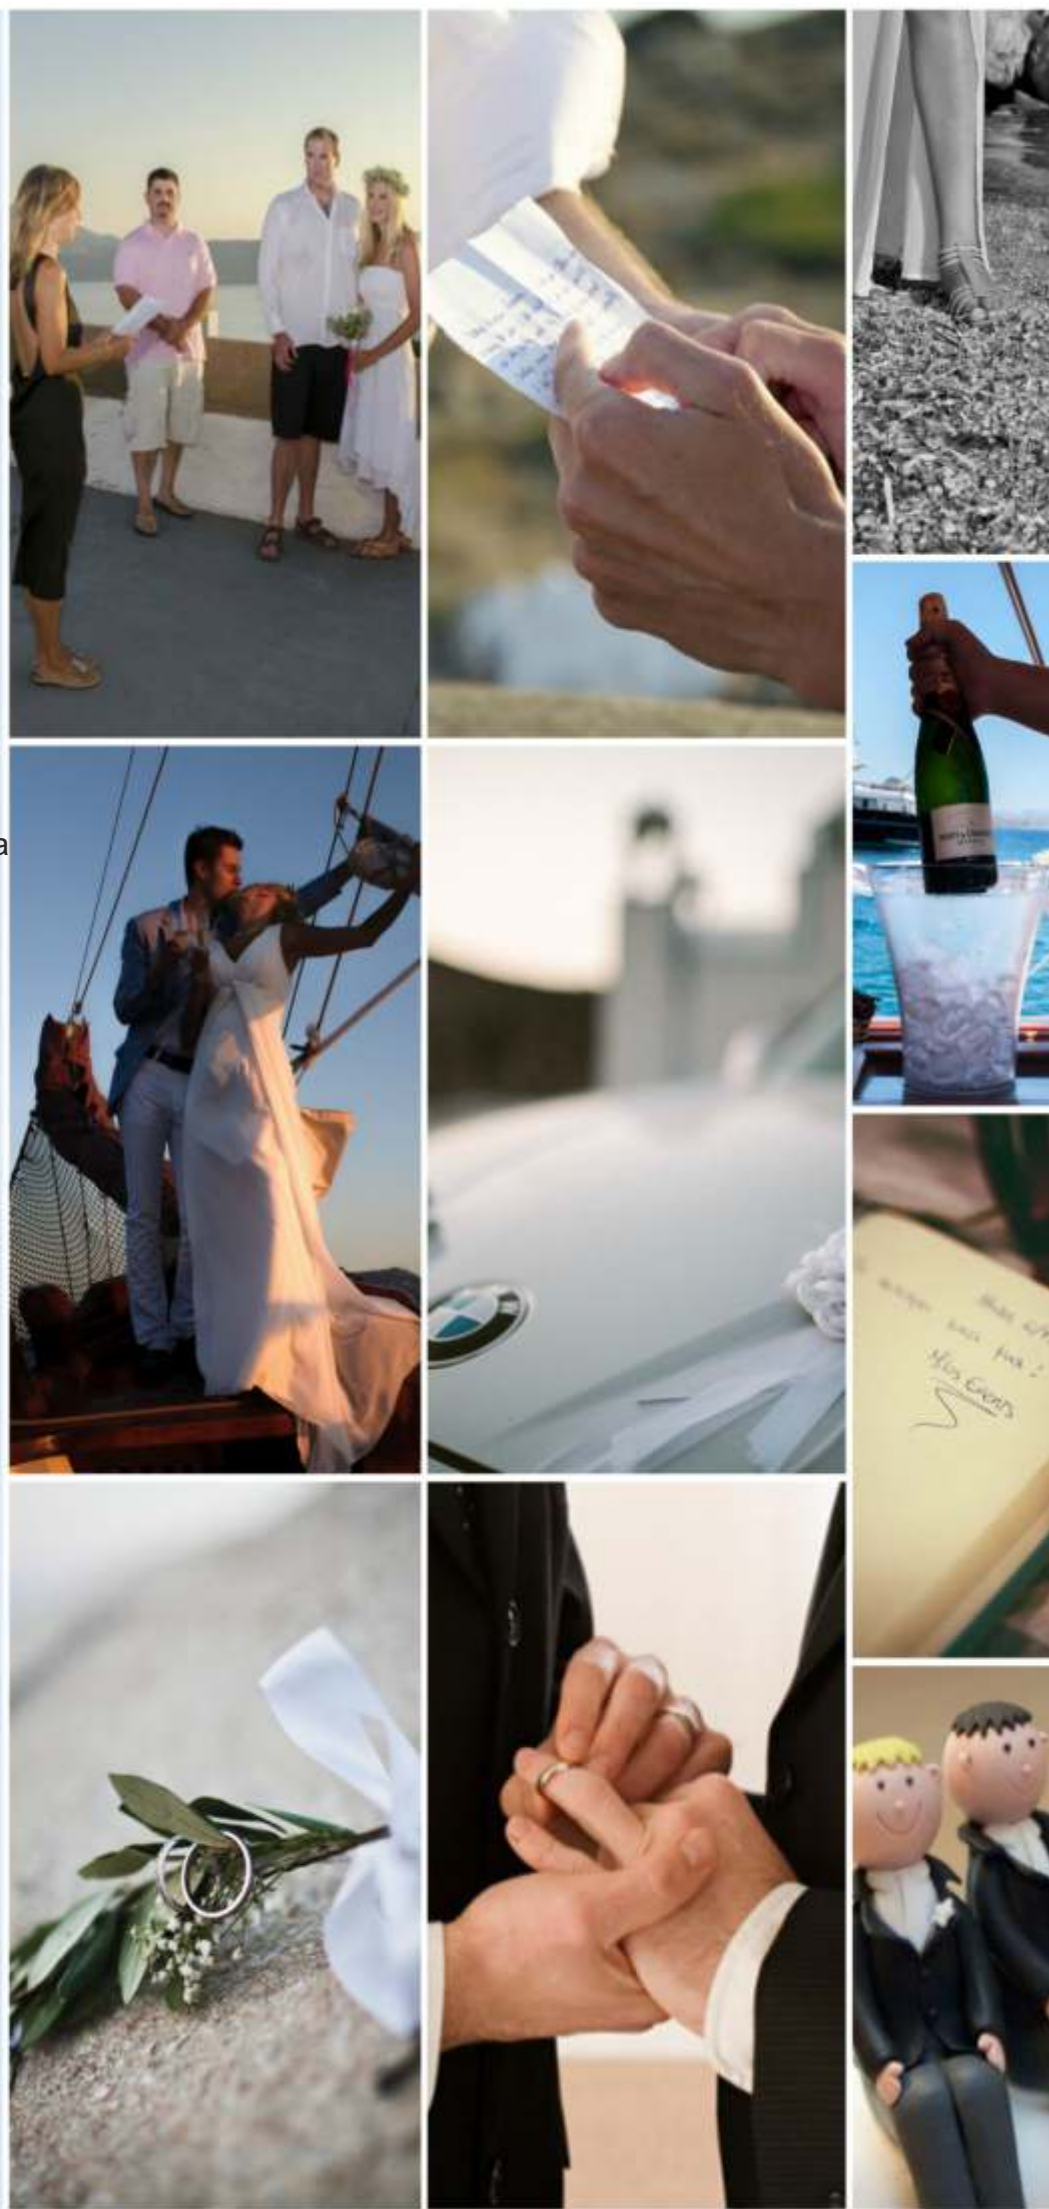

Elopement

Being on the island you fell in love and you decided to celebrate it by a secret wedding! Possible?
Yes! Let us help you enjoy the moment!!!

From a barefoot beach event, to a simple white washed church wedding or just a big party with friends!

Gay Weddings

Although same sex weddings are not currently legal in Greece, we can organize a same sex blessing. You can have a ceremony in a more romantic setting such as your favourite beach on the island or a romantic location with perfect sunset view.
We can arrange a beautiful ring/vow exchange ceremony for you, just the way you want it!
